

FCCA Announces an Exciting New Training Program

TRUST BASED RELATIONAL INTERVENTION

(TBRI)

Starting In September

TBRI teaches adoptive families how to create strong attachments. Learn how to build bonds of affection and trust with your adopted child, effectively deal with any learning or behavioral disorders, and discipline with love without making him or her feel threatened.

All families having an intake after September 1, 2014 will be required to read *The Connected Child*, complete a written book review and attend an AP 4 class on Trust Based Parenting
